SHOWER FOR BRIDE-ELECT

10:00

Mrs. Hughes, Sr. Mrs. T. S. Hughes, Misses Gladys and Mida Hughes were hostesses at the family home Thursday evening last when they entertained at a very delightful miscellaneous shower for Miss Madeline Hall, whose marriage to Mr. Cecil Lambert is an interesting event of early June. Miss Hall was invited over for a quiet game of bridge, and was taken completely unaware when the door opened and some thirty five ladies walked in to the strains of Logghegren's wedding march, played by Miss Florence Garrett.

The merriment of the guests knew no bounds but was very amusingly garbed bride and groom, the latter having a very ominous black eye, the bride with flowing veil orange blossoms and a false face, which were a very vivid blush but could not possibly be described as winsome, brought the trembling groom to dire submission before the very formally attired clergyman, silk hat and all, which he quite forgot to remove during the ceremony.

With the putting of the time honored question, does any man know of any reason, etc., the groom was accused of playing marbles badly, using lipstick, etc., and the bride of B. O. careless dressing, etc., as the clergyman in solemn voice read these were not sufficient reason for prohibiting the marriage he proceeded with the ceremony.

The clergyman was impersonated by Mrs. Win Saunders, the groom, Miss M. Gordon and the bride, Miss Mary Folk, the latter two being for

low teachers with the bride elect on the Strathmore school staff.

A large basket very prettily decorated in pink and white and laden with beautiful gifts was then presented to Miss Hall who though completely surprised, thanked all for their kindness and lovely gifts. The gifts were passed around for the admiration of all present.

Flauto duets were rendered on two pianos by Miss Folk and Miss Garrett and Whistling solos by Mrs. Schutte to the great pleasure of all. Refreshments were then served and a very happy social hour spent. Felicitations were expressed to the bride-elect and thanks to the hostesses for so pleasant an evening.

Mr. Cecil Lambert the fortunate young man is a member of the C. P. R. Telephone system and has been a resident of Strathmore for some twenty years.

DOMINION DANCE FESTIVAL

10:00

At the Dominion Festival of Music held last week in Ottawa, the Hart House Theatre won first place giving the mystic one act play, Michael. The Ottawa Drama League won the trophy for the best presentation in English while Le Cercle Moderne of Winnipeg won the prize for the best French play. The trophy for the best Canadian play was awarded a Montreal Troupe. The play being All on Summer's Day, by Marjorie Allen of Montreal.

News Notes

10:00

The all Canadian route to Vancouver and Victoria was opened for tourist traffic Friday, relieving motorists of the necessity of travelling to the coast by the long and tedious route according to word received by the local branch of the Alberta Motor Association.

The road hitched closed between Roseland and Grand Forks, over the Cascade highway is now open, and motorists can make the trip to the coast via the Crown Road. Fast highway, Roseland and the Okanagan valley.

Easy on Pants

A pupil in the Strathmore school is to receive a Bennett buzzy as first prize for the following:
Pants are made for men and not for women.
Women are made for men and not for pants.

When a man pants for a woman and a woman pants for a man, that makes it a pair of pants.
Pants are like molasses; they are thicker in hot weather and thinner in cool weather.

There has been much discussion as to whether pants is singular or plural but it seems to us that when men wear pants, its plural; and when they don't its singular.

Pants is singular at the top and are plural at the bottom.
If you want to make the pants last make the coat first.

Three robbers were reported to have been seen on Wednesday morning in Winnipeg. Two jays were said by a motorist to have crossed the street in front of him on Monday.

The United States goes on forced agricultural restriction when President Roosevelt signs the Bankhead bill for compulsory cotton control. The total crop must not exceed 100,000 bales, a cut of 11 per cent. over producers on allotments will be taxed 50 percent. The President says the South demands this, so he consents, but without enthusiasm. Secretary of Agriculture Wallace called the idea of the bill, abhorrent to us. The Bill ringing are the words of the Columbia Economic Reconstruction Commission. Recovery by price raising through restriction is a dangerous fallacy.

French Canadian Pie Soup

Half a pound of salt pork or ham bone, 2 tablespoons flour, 1 teaspoon chopped parsley, 1 cup split peas, 2 tablespoons chopped onion, 2 tablespoons bacon or pork fat, cups of water, beef stock or milk and water.

Local News Items

Sunday School Funds at St. Michael's have been suffering from the slimming process inevitable in times of depression, up to date the children's offerings had met all obligations, now debts have accumulated. Mrs. French said we would have a tea and charge 20c for it on May Day. The sun shone, the ladies came, it was a most enjoyable affair.

A fair crowd attended the opening Saturday night hop. Prizes are being reduced and it is hoped for a larger attendance at future hops.

Rev. Dr. Powell based the remarks for his sermon Sunday evening in United Church, Man's Life does not consist of bread or material things only. Miss Folk sang in very good voice. The Better Land, and the choir sang as anthem. Now the Day is Over.

Mrs. C. A. Lydell is recuperating after a very severe throat following a tonsil operation.

Mr. and Mrs. Movat of Winnipeg were week end guests of Mr. and Mrs. A. P. Gray.

At the next meeting of the Strathmore Society Mrs. A. L. Williams will lead a round table discussion on Acts passed at the recent session of the Alberta Legislature. This will prove most interesting and informing. So come prepared with your questions.

The judges in the forthcoming Festival of Music and Drama to be held May 23rd in Strathmore are: Music Madeline Brown, E. M. J. Johnson; Education, Mrs. Helen B. Mohler, B. A. Calgary; Dramatization, Mrs. E. S. Haines, Edmonton.

The Maple Leafs passed through Strathmore on the Eastbound train Saturday evening. They were popular with two with those on the train saw.

Mrs. T. E. Wright entertained Tuesday evening at a delightful bridge of four tables. Contract was played and some keen games resulted. Mrs. Whitehead was the fortunate winner of the high score while Miss M. Gordon won the pretty consolation. Delicious refreshments were served and a very happy social hour spent on the cooler cups.

The U. F. A. published in Calgary as a monthly magazine is during the busy month of May to become a weekly production. We wish the new Weekly success in its new field.

Grasshoppers have hatched out on Jim Cornack's land during warm weather of last week. Roadways should be on the lookout for them and report them at once.

Rev. Father Bartley of the Redemption Prisonhood is in charge of the services at Sacred Heart Church this week, while Rev. Father McGinnis is away on sick leave.

Mrs. Nola White returned to her home Sunday evening and is convalescing nicely after her severe illness.

A regular meeting of the town council was held on Tuesday evening, all councillors being present. The business was of a routine character. A court of revision was set for Tuesday June 26th, at 8 P.M.

Mrs. Oskander of Banff was a guest Wednesday of Mrs. McGregor.

Miss Norma Peterson is enjoying a couple of weeks at the home of Mrs. E. Whitehead.

Sunday next May 6 is being observed as Peace Sunday.

Monday, May 7th Arbor Day has been declared by the Provincial Government.

The very handsome shield on view in Mr. T. E. Wright's window is being donated to the Town School winning the largest number of points at the Festival May 23rd, and is donated by the Strathmore French Club.

CHEADLE

The July Junior C. G. I. T. had a party for their mothers and the Senior girls Thursday last. Two plays entitled, Cat Pie and The Patal Ghost were very well acted providing much amusement to the audience. Miss James led the party in playing many amusing games. Later in the evening lunch was served provided by the Junior C. G. I. T. The party broke up with the singing of "Auld Lang Syne."

Mr. and Mrs. Wade and daughter Betty spent Sunday in Lethbridge visiting Mrs. Lou Wade and family.

The Juniors of Cheadle played the Strathmore Junior Team at Strathmore football team winning by a score of 22 to 5, the game being played at the home diamond.

Mr. J. V. Howe has been transferred to Lethbridge and C. Craig of Calgary has taken his place at the Pool Elevator.

A SAGA OF THE ST. LAWRENCE RIVER

We are in receipt this week of a very beautiful calendar from the very beautiful publisher, Montreal, Howard Smith Paper Mills, Montreal.

The calendar is entitled a Saga of the St. Lawrence River. It is a tribute to the memory of Jacques Cartier. The Saga of St. Lawrence, who was the first to found Canada and its mighty river. The history of Canada is bound up with the St. Lawrence.

On the shores of the St. Lawrence our history first began and from thence our adventurous children set forth to every strategic point, with the St. Lawrence in the east, the Fraser in the west, the McKenzie in the north, playing big parts in our national life. The twelve illustrations of the calendar are the work of Mr. G. S. Bar

le and the artistic effect and beauty are very lovely.

FRENCH CLUB SUCCESSFULLY PRESENTS 4 ACT COMEDY

10:00

An audience that filled three parts of the Memorial Hall greeted the French club when they put on the four act comedy, Le Voyage de M. Perrichon, Wednesday evening.

Interest and anticipation were on the qui vive, as rumors had spread abroad of the scenery, the costumes and the amusing intricacies of the play.

Suffice it to say that every one was delighted with the successful manner in which the entire play was carried through.

It is not an easy thing to transfer oneself from one nationality to another.

DR. SHERMAN'S SERMON

Dr. Sherman had a hard trip from Lethbridge to Strathmore on Sunday, from Cluny to the correction line Saturday night's doubtless made the journey extremely hard, his appointment as Chancellor was 4 pm, at 4:02 the Bishop arrived to take Confirmation service, his address on the occasion was on three phases of Confirmation.

Looking backward to the earliest days of the church and the action of St. Peter and St. John, at Samaria. Looking forward to the future in our hearts and lives. Looking forward to opportunity for better and more faithful membership in the congregation of the Successors to the Apostles.

Although St. Michael's Evensong was his third service for the day, and the Bishop had travelled over a hundred miles that day, he had a strong message for the Confirmands at 7:30. The first principle of the Christ as told in the Epistle to the Hebrews were a condition of lambing, which rendered a man ready to be used.

In whom he had believed, a certainty of a Resurrection as proved by the facts of the first Easter Day, its consummation in a future meeting with the risen Christ as Judge of good or ill, and a present thankful response to the Holy Spirit in the laying on of Hands.

It is devoutly to be hoped that the French Club's receipts are sufficient to meet the very worthy object of their desire, namely enough funds to enable them to purchase the shield for the Musical and Dramatic Festivals, which will be held in Strathmore May 23rd.

It is devoutly to be hoped that the French Club's receipts are sufficient to meet the very worthy object of their desire, namely enough funds to enable them to purchase the shield for the Musical and Dramatic Festivals, which will be held in Strathmore May 23rd.

It is devoutly to be hoped that the French Club's receipts are sufficient to meet the very worthy object of their desire, namely enough funds to enable them to purchase the shield for the Musical and Dramatic Festivals, which will be held in Strathmore May 23rd.

COMING EVENT

Saturday night hop, Memorial Hall Strathmore, May 24th, 8 to 12. Admission 25c each. Good music.

ADVICE ON COUGH GRASS ERADICATION, AVAILABLE

Scientific methods for control and eradication of Cough Grass, a weed which is spreading over Western Canada, is made in a pamphlet prepared by Dr. G. P. McKelvie, Professor of Agronomy and W. T. Hildey, B.S.A., Assistant on weed research, of the Agricultural College of Manitoba University, on behalf of the Northwest Grain Dealers Association. Life elevator companies operating throughout the Prairie Provinces have financed scientific studies of the weed problem which has been under way for the past three years. The results of these investigations have now been published in pamphlet form. The pamphlets are being distributed free at all country elevators.

Cough Grass was introduced in Western Canada through small lots of seed sent out to farmers in this country from friends in Europe during the latter part of the last century and before proper inspection facilities were established on seeds imported into Canada. The Chief Analyst of the Dominion Seed Branch at Winnipeg has found that approximately one half of the Bronco Grass seed sent in the Seed Branch for inspection contains Cough Grass.

The pamphlet dealing with Cough Grass outlines methods for the control and eradication of the weed in a manner that the ordinary layman can easily read and follow. Any farmer troubled with Cough Grass in his fields should obtain a copy. It is also particularly valuable and informative to farmers who wish to keep their fields free from weeds.

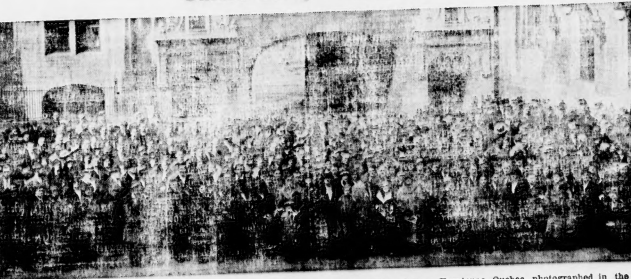

Type of Cultivation
A spring tooth cultivator is especially designed to drag the rootstocks to the surface.

Two days exposure to the air will kill the rootstocks in damp weather. A few hours exposure to the hot sun and air will kill them in dry weather.

Where it is impossible to get a spring tooth harrow, an ordinary footed tool will do the job, but more work will be required. Whatever type of cultivator is used the ground should be gone over frequently after the job is once begun.

When starting to clean up a field bear the above in mind and don't take on more than you can handle thoroughly.

Oxford Group House Party

MORE than 700 delegates to the Oxford Group House Party held recently at the Chateau Frontenac, Quebec, photographed in the courtyard of the famous hostelry. Representatives from all the larger Eastern Canadian and United States cities attended. Another house party is being considered for the Banff Springs Hotel, magnificent Rocky Mountain resort, early in June.

NAMAKA FARM

Col McGregor was a welcome visitor at our school last Wednesday.

Did you know that the world's record in steelaying was established near Namaka.

When the C.P.R. was pushed across

Counter Check Books

the prairies Donald Grant who was boss of construction under the Ship and Land contract made his first attempt to establish a record of steel laying between Langdon and Chazy. Six miles three hundred feet were built in one day. Grant was not satisfied with this. Near the present station of Namaka an extra gauge was employed and the magnificent record of laying one mile of steel was laid in one hour. When the work was finished at Chazy at the end of the day, it was found that nine and one quarter miles had been laid in ten hours. According to old timers this was the world's record.

Ediz Bailey Price gives a graphic account of the front trail. D. J. Dickies, The Canadian West, page 286.

LANGDON

Mr and Mrs John Wilson are the proud parents of a baby boy, born April 25th, and Mr and Mrs T. H. son is just as proud of a daughter born April 28th.

Dr. M. C. Salmon and Claude were visiting Langdon friends on Saturday. The doctor who has been at the coast for his health is feeling much better.

Dalemead U. F. W. A. and Langdon W. I. are meeting at the home of Mrs. P. G. Fulton Wednesday to hear Mrs. Wm Carson of Calgary speak on Peace.

PATRONIZE OUR ADVERTISERS
IT WILL PAY YOU

A Community Asset

The local newspaper is a community asset.

It faithfully portrays the doings and sayings of the home people.

It rejoices in progress and achievement and sorrows in discouragement and defeat.

It fills a niche in the community life.

There is nothing else that can quite take its place.

The home newspaper provides businessmen and advertisers in general with a convenient and economical advertising medium.

It gives pride and prestige to a community. It is a miserable district that cannot support a home newspaper.

It deserves assistance and support from every phase of community life.

The Week at Ottawa

The debates in the House this week clearly indicated that there are three distinct political parties in Canada. Within each of these parties there are members whose opinions and policies differ greatly with the express policy of the leader. Private members, however, seldom cross the floor of the House because they believe that the general plan of the party they have selected to support is more to the welfare of the people than do the policies of the other groups. They recognize that the system is the product of long years of trial and experiment and should not lightly be discarded.

The party who have the largest number of members have the opportunity of action and the other parties have the duty of stressing errors and urging the viewpoints of the minority school of thought.

In speaking on the Budget this week I pointed out the necessity of the Government giving some assistance to the farmers on the great irrigated areas by helping to establish several Sugar Beet factories. I showed that the fate of Southern Alberta depended largely on the success of these projects and that the success of these projects depended on the growing of a paying root crop.

The abattoirs say that they use every part of the pig except the head. Beets should be used in much the same way because sugar factories would not only have a sure available market for the sugar but the molasses, pulp tops etc. would give the Cattle industry a great boost.

We grow the raw material for less than 14 percent of our consumption. Great Britain which is not an agricultural country produces 25 percent of the sugar at home for her great population. No assistance is given to encourage the growing of this valuable crop in Canada while the Mother Country pays out annually from three to six million pounds. We need factories along the main line of the CPR in Southern Alberta.

I find that we get more of our sugar cane from British Guiana, Barbados, Jamaica and the Fiji Islands. Trade figures show that our total imports from those countries are about three times the value of what we sell to them.

One member quoted part of the following poem:

The night has a thousand eyes
And the day but one,
Yet the light of the bright world dies
With the dying sun.

The mind has a thousand eyes
And the heart but one,
Yet the light of the whole world dies
When love is done.

F. W. GERSHAW

Here and There

Princess Junbo, sister of the Emperor of Manchuria, with her husband T. K. Ching, were passengers aboard the Duchess en route recently. They travelled across Canada via Canadian Pacific Railway and sailed from Vancouver to the Gulf on the liner Empress of Canada.

Heaviest Easter traffic in years with main line trains running at extra sections and with added coaches and passenger cars on branch line trains. The last of the Easter way, was reported on the recent holiday. Heavy traffic on the main line. Special low fares attracted many passengers.

In the annual statement of the C. P. R. for last year, published recently, it was brought out that as a result of increased earnings the great majority of railway employees have taken a cut of fifteen per cent. In various railway officers have been reduced 20% and the Company's director had a 25% cut in their fees, while E. W. Beatty, Chairman and President, has at his own request taken a reduction of forty per cent.

Grati Capri only after they had witnessed the Grand National classic at Antree, near Liverpool, a number of Torontonians reached their homes in time for the Easter celebrations. The achievement was made possible by a last voyage of the Duchess of Richmond under her new commander, Captain Arthur Rowell.

Announcement is made by the Canadian Pacific Railway that it will now accept shipments of freight via Port McNicoll and its lake and rail route subject to delay at Port McNicoll, pending the first sailing. Three Canadian Pacific steamships will be in service on the Great Lakes during the coming season.

"Bride ship of the Atlantic" as she was called by reason of the large number of prospective brides carried from Great Britain and the continent to Canada, the Meteor of the Canadian Pacific Steamships is to be sold for scrap, her owners announced recently.

Fifty years of railroad service, 25 of them with the Canadian Pacific Railway, were honored recently at the Royal York Hotel by a banquet and presentation to Robert E. Lamont, retired general freight agent in Toronto. E. W. Beatty, K.C., L.L.D., chairman and president of the company; Grant Hall, vice-president; and George Stephen, traffic vice-president, were among those who attended.

L. G. Prevost, K.C., assistant solicitor, Canadian Pacific Railway, has been promoted to the post of solicitor of the company for the province of Quebec, succeeding the late Rodolphe Paradis, K.C., the appointment being effective as from April 1.

Captain David Sinclair McQueen, commanding Canadian Pacific liner Duchess of Athol, will retire on May 1, after 44 years' service on sea service, most of which was in the employ of the old Allan Line and Canadian Pacific Steamships.

Each parcel will be offered for sale subject to a reserve bid, and subject to the reservations contained in the existing certificates of title. Redemption may be effected by payment of the full amount of arrears of taxes and costs at any time prior to the sale.

Dated at Rosebud, Alberta, this 27th day of March, 1934.

N. THORNE,
Secretary-Treasurer

CANADIAN TOBACCO AND ECONOMICS

General economic conditions in Canada during the past three years have had an important effect on conditions in the tobacco market.

In Canada during the past three years have had an important effect on conditions in the tobacco market. According to the Agricultural Situation Bulletin published by the Dominion Department of Agriculture. Faced with a rapidly decreasing per capita consumption of tobacco products, the manufacturer has been forced to seek cheaper sources of supply for his raw material. In brief there has been a general shift to lower priced products by Canadian smokers. The total of cigar consumption has dropped from 180 millions in 1929 to about 114 millions in 1933. In addition there has been a move from the more expensive sizes to the five cent variety. Decreases in the use of plug tobacco have occurred for many years and have been accelerated since 1929. The use of snuff has fallen 25 per cent. Until recently there has been an increase in the use of cut tobacco but this has been at the expense of cigarette consumption. This situation was somewhat alleviated by the reduction in the use of cigarettes permitted by the lowering of the excise duty, resulting in a slow but steady increase in cigarette consumption from the low levels reached in 1932. Recently, the prices in cut tobacco also have been reduced, apparently with a view to recovering some of the trade lost to the plug leaf vendors.

Another important trend has been the increasing use of domestic leaf tobacco and the corresponding fall in importations from the United States and elsewhere. In 1927 imports totalled over 18 1/2 million pounds and in 1933 only 9 1/2 millions. This tendency is further evidenced by the fact

that in 1930 only 51 per cent of the total leaf used by manufacturers was of domestic origin, while in 1933 the proportion is estimated to have been about 65 per cent. In addition to the use of tobacco for smoking purposes, recent developments indicate that in several quantities of low grade leaf will be used in the manufacture of nicotine insecticides and in feeds and fertilizers.

BOTTLED BEER CAN BE TAKEN FROM BEER PARLOR

In the closing day of the session the legislature of Alberta put through some of its most important legislation, namely, amendments to the Alberta Liquor Control Act, which precipitated the most heated discussion of the entire session and saw the U. F. A. members debating with each other to an extent not seen for many years.

In the net result two highly important amendments were passed. One extends the hours of closing beer parlors on Saturdays until 10 p.m. instead of 9 p.m. and the other permits bottled beer to be taken from the premises where it is purchased for consumption elsewhere. The liquor commissioner is also empowered to extend hours beyond 8 o'clock for liquor stores.

COMMITTEE ON RURAL EDUCATION

The following special legislative committee has been named to inquire into the rural system of education in Alberta: Hon. Perrin Baker, chairman; J. M. McCool, C. A. Readings and J. Goresky from the U. F. A. section of the house; W. E. Payne, conservative; Hector Lang, Liberal and J. MacKintosh, independent. The committee is to make a complete survey and study of education in the rural districts and report findings and suggestions at the next session of the legislature. The committee will begin its work some time during the
